July 2016

Editor's Highlights of June's Events

The month of June started out with our first Dine-Out at Applebee's Restaurant, June 2, 2016. Following the dinner we held our monthly Board and Committee Meetings at the LGBT Center. We now have a full Board of Directors as of this meeting, when Bill Schlosser agreed to fill the vacant position of Member At Large 2. Welcome on Board, Bill. On June 7th, we had another Dine-Out at the Black Bear Diner. Then on Saturday, June 11, 2016, all the guys who had volunteered to work our 8th Annual Western Regional Gathering, was treated to a nice dinner at the Bahama Breeze restaurant. This is one way to show our appreciation for all the hard work they did to make the Gathering a huge success! Tuesday, the 14th, we dined out at a new restaurant called M&M Soul Food. Real good Southern Soul Food. On Saturday the 18th, we held our monthly Potluck and General Meeting at the LGBT Center. Saturday, June 18th, we held our monthly General Meeting & Potluck. On June 21st, we held another Bar Night Out at Charlies Bar. Saturday morning, the 25th, we had our monthly Breakfast at Joker's Wild in Henderson. I might make a suggestion for the next Breakfast. COME EARLY. They normally start taking orders at 9:30 AM. Then on Tuesday, the 28th we had a Dine-Out at the Village Pub on Sunset Rd. in Henderson.

I want to send my condolences to the families who lost their loved ones at the Pulse Bar in Orlando, Florida. Prayers go out

President's Column

In our lifetime, we remember days that affected us and cannot be forgotten. I can remember, as a young child, when JFK was killed and to this day I remember it very well. Then another was when Martin Luther King was killed and the horror we felt. Then the Space Shuttle blowing up in front of our eyes and then, of course, there was 9/11. Now the worst mass killing in our History. What a tragic day that was. 49 of our 'family' were murdered in a Gay Nightclub in Orlando and more than 53 injured. It is so difficult to believe, as the LGBT Community has come so far in the past years. Good things have happened and we felt safer than ever. Going to a Gay Bar, we feel safe and we can be ourselves. I was telling a young person, the other day, how Abel and I never held hands in public or even kissed in public. The first kiss and last kiss, in public, was on our wedding day. But, when we attend a bar or go to the LGBT Center, we feel comfortable holding hands, hugging and a kiss here and there. As most of us knew we could not show our feelings in public and that is why we went to Gay Clubs and events. Now for those that were at the Pulse Bar, they will always be looking over their shoulders as they enter a Gay Club. We can't let fear stop us and we must stand strong and continue our fight for equal rights. We cannot let a few in this world defeat us. Please Pray for those that survived and Pray for the families that lost a loved one.

Gathering Volunteer's Appreciation Dinner - Bahama Breeze - June 11, 2016

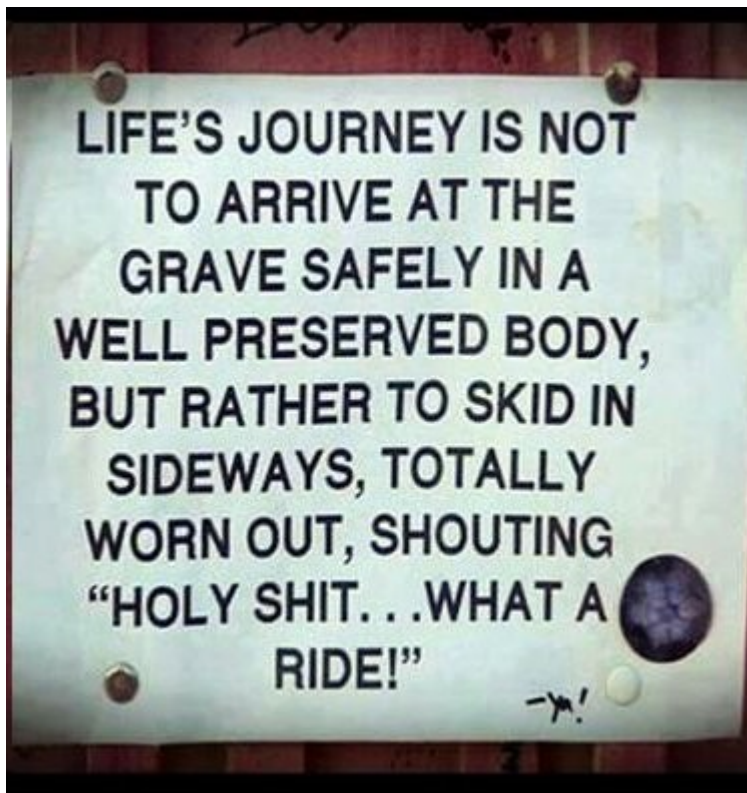

Just a Little Humor for You

Walt walked into a supermarket with his zipper down. A lady cashier called out to him and said, "Your barracks door is open". Not a phrase that men normally use, he went on his way looking a bit puzzled. When he was about done shopping, a man came up to him and said, "Your fly is open". He quickly zipped up and finished his shopping. At the Check-Out, Walt intentionally got into the line where the lady was, who had told him about his "barracks door". He was planning to have a little fun with her, so when he reached the counter he said, "When you saw my barracks door open, did you see a Marine standing in there at attention"? The lady, who was a bit sharper than the man, thought for a moment and said, "No, no, I didn't. All I saw was a disabled veteran sitting on a couple of old Duffel Bags!"

Monthly General Meeting and Potluck - Saturday, June 18, 2016

Three elderly men are talking about their troubles. "Sixty is the worst age to be", said Ray, the 60 yr. old. "You always feel like you have to pee. And, most of the time nothing happens."

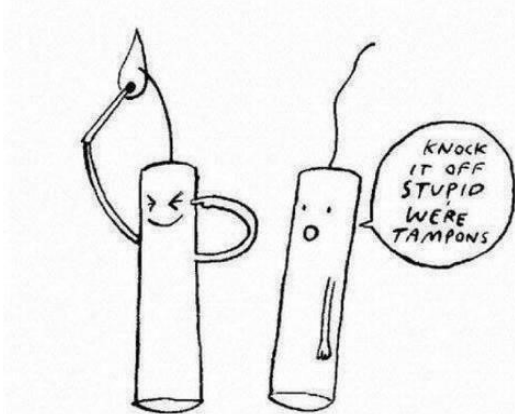

"Ah, that's nothing," said 70 yr. old Max.

"When you're 70, you don't have a bowel movement anymore. You take laxatives, eat bran, you sit on the toilet all day & nothing happens."

"Actually," said Gary, the 80 yr. old. "Eighty is the worst age of all."

"Do you have trouble peeing too?" asked Ray.

"No, I pee every morning at 6 AM. I pee like a racehorse; no problems at all."

"Do you have trouble with your bowel movements?" Max questioned?

"No, I have one every morning at 6:30," Gary responded.

Puzzled with this, Ray said, "Let's get this straight. You pee every morning at 6 AM and poop every morning at 6:30 AM. So what's so tough about being Eighty?"

"I don't wake up until 7 AM."
