November 2016

Editor's Highlights of October's Events

Here it is...November already! Not sure where the time went, but it's gone, never to return. We started out the month of October with our Early Dine-Out at Downtown Crown Pub on Thursday the 6th. After dinner, we drove over to the LGBT Center for our monthly Planning Committee and Board Meetings. Ray Plummer announced that we have a full slate for our board elections this month at our monthly General Meeting on November 19, 2016. Good going guys!!! On Tuesday, October 11th, we had our Dine-Out at the Silver Sevens Casino Buffet. Their Buffet is small, but the food is really good and if you have one of their coupons, you can get the dinner buffet for only \$7.00. Saturday, October 15 th, we held our monthly General Meeting and Potluck. During this meeting, nominations for officers were closed. Saturday, October 22, we again enjoyed having Breakfast at Joker's Wild Casino in Henderson. Bar Night Out was held at the Phoenix Lounge on West Sahara Ave. on Tuesday, October 25, 2016.

Just want to remind everyone to be sure to get out and Vote on November 8th, 2016. Every Vote Does Count! Remember, If you don't vote, you don't have a right to complain when something doesn't go the way you like!!! Also, remember to set your clocks back, when you go to bed on November 5th, as Daylight Savings Time Ends.

By the time you read this the long election season will be drawing to a close. I do hope that all of our members will to vote on November 8. Whatever candidate or party that you support, you are given an option to express your interest and desires at the poles. Many issues have been addressed during this election year cycle and each of you must decide what is in your best interest. Many candidates have shown support of LGBTQ issues during this year. If you are unsure of how the candidates have supported our issues, I encourage you to read the 2016 election endorsements in the October issue of Night Beat magazine. You may be surprised to see that all three parties have received some endorsements. Whatever the outcomes in November, just remember that each of you has a responsibility as a citizen to vote and help influence the future of our local, state and national government.

Ray Plummer, Acting President

A parrot swallows a Viagra tablet. His owner, disgusted, puts him in the freezer to cool off. Later, when he opens the freezer, he finds the parrot sweating. "How come you are sweating?" he asks. The parrot replies back, "Do you know how difficult it is to open the legs of a frozen Turkey?"
