Editor's Highlights of December's Events

In closing out the year, we began December's events by having an early Dine-Out at Dona Maria's Tamale Restaurant before heading over to the LGBT Center for our monthly Board and Planning Committee Meetings. Then on December 13th, we had our last Bar Night Out for the year at Charlies Bar. On Wednesday evening, December 20, 2017 we did a tour of the Botanical Cactus Gardens at Ethyl M's Chocolate's in Henderson, to see their Christmas Light Display throughout the Gardens. The weather, unfortunately didn't cooperate with us, as it was super windy and cold. So, the turnout was very lite. But for those that did go, it was quite spectacular. On Christmas Day, a group of us went to Marilyn's Café, inside the Tuscany Hotel/Casino for our Christmas dinner. For those of us who don't have family here, or don't really have anywhere else to go, this is something we've done now for several years. We had to cancel our monthly breakfast, as Joker's Wild messed up and booked another group to use the area we normally use for our Breakfasts. Although, breakfasts will start again starting in January.

I'm hoping everyone had a very Merry Christmas and that the New Year will be Prosperous for all. I'm sure there wasn't one Las Vegas Prime Timer, who received a "lump of coal" in his Christmas stocking this year. If you did, then it better have been worth it! Ho-Ho-ho

As we welcome a new year, there will be some changes to our Las Vegas Prime Timers Board members. After the Appreciation Dinner on January 13, four of our current board members will be retiring from their positions. We want to thank these men for their dedicated service to Las Vegas Prime Timers.

Thom Knowles and Bill Schlosser will be leaving their At Large Positions. They have done a wonderful job providing us with a monthly calendar of events and planning monthly bar nights, dine outs and other activities.

Michael Pyles is retiring as Membership Chairman. He has done a fantastic job of updating our membership roster monthly and adding new members into our database.

Ben Glidewell is retiring from the Webmaster position. He has served in this position for several years and through his help we have been able to adopt a new website. He has also helped us solve any problems that we have encountered with our two club computers.

Our new Board members will be taking office on January 13.

Gary McGough joins our Board for the first time. We look forward to working with him in his webmaster position.

Bob Williams and Dan Banul are both returning to our Board. They have both previously held positions with our organization. They will be serving as Members at Large 1 and 2 and will schedule monthly events for our membership.

Jim Antosh, our current Secretary, has agreed to assume the Membership position in addition to his work as Secretary.

We are grateful that these men have stepped forward to help our organization with a membership of 120 men.

I hope you can all attend our Appreciation Dinner at Joker's Wild on Saturday, January 13. You can help thank our retiring Board Members and welcome our incoming members.

Have a Happy and Healthy 2018.

Ray Plummer, President

A lady walks into a bank in New York City and asks for the loan officer. She says she's going to Europe on business for two weeks and needs to borrow \$5,000. The bank officer says the bank will need some kind of security for such a loan. So the lady hands over the keys to new Rolls Royce parked on the street in front of the bank. Everything checks out and the bank agrees to accept the car as collateral for the loan. An employee drives the Rolls Royce into the bank's underground garage and parks it there.

Two weeks later, the lady returns the \$5,000 and the interest, which came to \$15.41. The loan officer says, "We are very happy to have had your business and this transaction has worked out very nicely, but we are a little puzzled. While you were away, we checked you out and found that you a multi-millionaire. What puzzles us is why would you bother to borrow \$5,000?"

The lady replied, "Where else in New York City can I park my car for two weeks for just 15 bucks?"
